CATHOLIC HOME MISSIONS: Right now, over 40% of dioceses in the U.S. are considered home missions because they are unable to fund essential pastoralwork needed in their communities. More information can be found at www.usccb.org/home-missions.

CHURCH IN LATIN AMERICA: Your gifts help share the faith in Latin American and the Caribbean by providing lay leadership training, catechesis, priestly and religious formation, as well as other programs. To learn more, please visit www.usccb.org/latin-america.

LABOR DAY 2017

The parish office will be closed on Monday, September 4th.

LABOR DAY . . . A HISTORY

Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a

yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

The first Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. In 1883 the second Labor Day holiday was also held on September 5th. In 1884 the first Monday in September was selected as the holiday and the Central Labor Union urged similar organizations in other cities to follow the example of New York and celebrate a "workingmen's holiday" on that date. The idea spread with the growth of labor organizations, and in 1885 Labor Day was celebrated in many industrial centers of the country.
